

## **PRESS RELEASE**

Paradise Entertainment Limited is pleased to announce that its subsidiary, LT Game Limited's ("LT Game") Live Table Multi Games System has successfully completed a field trial at the Palazzo Casino in Las Vegas and received a formal written approval from the Nevada Gaming Control Board ("NGCB") for installation throughout Nevada on the 30<sup>th</sup> of June, 2014.

"The Live Table Multi Games System is the answer to casino operators' demand for labor optimization, operational efficiencies and player convenience," said Jay Chun, Chairman and CEO of Paradise Entertainment. "The Live Table Multi Games Systems offer players the flexibility and convenience of being able to view and play multiple live-broadcasted games simultaneously, enhancing player experience while increasing game productivity for operators tremendously."

The Live Table Multi Games System has been a dominant electronic gaming machine category in the Macau market and has seen a rapid surge in demand from overseas operators. The approval granted by the NGCB marks an important milestone for LT Game's expansion into the U.S. and signifies the start of an important chapter in the company's global growth story.
